Registration Deadline: September 1, 2011

The Civil Litigation Committee of the American Board of Forensic Odontology will present a Workshop on Expert Witness Testimony. The Workshop will be held in conjunction with the 2012 AAFS Meeting in Atlanta. It will be held the Friday evening and all day Saturday following the AAFS Meeting. The Workshop will accept both “Expert Witness” candidates as well as observers who will attend the Friday evening and Saturday sessions. The case presented at the Workshop will be a “Standard of Care” case. The Friday evening session will include presentations by experienced expert witnesses. The presentations will cover pertinent topics such as guidelines for Expert Witnesses and relevant Standards of Care in Dentistry. The Saturday session will feature “testimony” by the “Expert Witness” candidates in a mock trial format that includes a judge, jury, and experienced civil litigation trial lawyers. The mock trial will be held at the Georgia State University law school court room. Lunch will be provided. Transportation to be announced.

For those interested in AGD credit, there will be 30 hours participation credit granted to the expert witness participants and 10 hours lecture credit for observers.

If you are inexperienced, and if this is the first time you have taken this workshop, it is an advantage to sign up as an observer.
