

American Board of Forensic Odontology Dental Identification Workshop

Date: Sunday February 19, 2012 Place: Atlanta, GA
Time: Lectures – 7:30AM – 12:00PM
Workshop – 1:00PM – 5:00PM
Fee: Full participants (Lectures and Workshop) – \$700
Attendees (Lectures only) – \$200

Workshop Objectives:

1. To provide hands-on experience of forensic dental examination techniques.
2. To present the importance of, history and basic through advanced techniques of forensic dental human identification.
3. To provide up to five of the required identification credits for ABFO board eligibility.

The presentations will focus on forensic dental examination, comparison and identification techniques. They will cover pertinent topics such as access to the oral structures, dental features useful in comparative dental identification (restorative and anatomic), missing and unidentified person reports and databases, Odontosearch, SEM, XRF, CBCT, AM/PM radiograph superimposition, cremated remains examination, dental biological profiling, the role of the forensic dentist in mass fatality incident identification and more. Presenters will include Robert Wood DDS, MS, PhD, Peter Bush BS, Peter Loomis DDS, Warren Tewes MS, DDS and Gary Berman DDS.

During the workshop session participants will perform clinical and radiographic examinations on dried specimens, prepare written reports, examine a series of “historic paper” cases and will be evaluated by members of both the ABFO Missing and Unidentified Persons and Certification and Examination Committees. Those whose dental identifications, radiographs, reports and successful completion of historic ID cases meet certain standards, will be given credit for up to five of the ID requirements for ABFO board eligibility. The Workshop will accept twelve “full participants” for Workshop/Lectures as well as an unlimited number of “attendees” that will participate in the morning lecture sessions. Full participants will be sent antemortem records ahead of time to facilitate advance preparation.

4.5 hours of AGD credit will be granted for the lecture session and up to 30 hours for those participating in the entire workshop, through the AGD/PACE program.

Refund policy – See Workshop Policy at ABFO website, <http://www.abfo.org>

This activity has been planned and implemented in accordance with the standards of the Academy of General Dentistry Program Approval of Continuing Education (PACE) through the joint program provider approval of the American Society of Forensic Odontology and the American Board of Forensic Odontology. The American Society of Forensic Odontology is approved for awarding FAGD/MAGD credit. The formal continuing dental education programs of this program provider are accepted by the AGD for Fellowship, Mastership and membership maintenance credit. Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement. The current term of approval extends from 01/01/2009 to 12/31/2012
